OUR BRAND ETHOS
#PEOPLEFIRST

At Krisala, being customer-centric means putting the customer first, at the centre of everything that we do. No wonder; we have our very own CHO (Customer Happiness Officers). They listen to our customers and act by building unique insights, using them to solve customer problems.

Right from improving their experiences each time they visit us on any platform, to redefining the metrics of customer satisfaction; customers are driving our tech-driven, customised work-life solutions. We use data to identify and serve them while keeping in mind the products and services they like.

Being customer-centric is about truly understanding customers' mind, their emotions; so we can anticipate their wants, needs, and communication preferences. Our goal is to create meaningful new experiences, and build lasting relationships with them. We aim to be India's first company to achieve 100% customer satisfaction on all parameters.

Our world is no more about **'OR'**
It's more about **'AND'**
It's less about **'ONE THING'**
And more about **'EVERYTHING'**
It's not in the **'ME'**
But in the **'ALL'**

I AM **ZILLENIAL!**

A Zillennial is a person with a mix of attributes from Millennial and Gen Z. He or she may be born just before the start of the last century or might have reached adulthood by that time; but rapid lifestyle changes and technological advances shape their likes and desires into a separate bracket. They exhibit characteristics from both the generations and have some unique preferences.

Here's to the best of both
Gen Z & Millennials

PUNAWALE

Located near the
MUMBAI - PUNE EXPRESSWAY

Punawale; situated strategically between PMC and PCMC has become a place of choice for people from the IT segment and the manufacturing segments. It is due to their preference for its strategic location to commute from work to home. The Aundh - Ravet BRTS road has proven to be a boon improving connectivity and potential of the place. Retail in this area is expanding with the presence of City Mall and other upcoming malls. Colleges like Indira College make it a vibrant educational hub. As the population of Punawale increases; there is a planned development on both sides of the highway that caters to all recreational and functional needs.

A NEW SEAT OF LEARNING

We are committed to building more than homes. Continuing with our holistic traditions of bettering lives through our initiatives; we have tied up with the prestigious Cambridge Group of Schools. We aim to fuel better careers and lives for our future generations.

This involves a 80% concession on admission fees for all Krisala family member students. Along with keeping up with the core vision and values of our company; it will also help forge strong careers for all deserving students and make them a shining beacon of light for the society.

41 is not just a number, it's the story of a dream, the struggle, the passion & the hard work behind it.

#41 has come to us like it was destined. We have worked hard & earned everything you see today and nothing has come out of sheer luck. Our esteemed project **41 Zillenia** in Punawale is blessed to have the Survey No. 41 and there came the idea of **41**. While working on **41 Zillenia**, our team sat down to analyse what makes a perfect living experience. We realised that there are **41** things a home needs to be perfect; from amenities and specifications to design and layout.

41 things come together to create a dream home. And that's what we have ensured.

This project makes way for a blissful way of life with the magical confluence of **41** thoughtful additions that lead to prosperity, abundance, and satisfaction. We believe **41** will bring each and every one of you good fortune and happiness at all of our projects.

So join us and experience the power of **41**.
